Tony has become a firm favourite pole topper on the circuit and has used the same instrument in the Yamaha HX-1 for many many years, producing a sound which has become his own. Always popular we'll be in for a great afternoon with this star performer.

1st Dec: DAVID HARRILD From the age of 8 David slowly developed a passion for music with every open opportunity trying his hand on the school piano. After 1 year's tuition, he decided that he would throw away the teaching books and play by ear.
